From the General Manager

Saying goodbye...

By Brooks Shoemaker

EVERY TIME we have a longtime employee retire, I talk about the unique dynamics of the workplace. Although we don't select our coworkers, we spend as much time with them as we do our own families. In fact, they become our second family here at Bedford Rural Electric.

We all look forward to retirement. The nice part about retiring from a successful career is leaving the pressure and stress of deadlines behind. Suddenly you have plenty of time to make all your dreams come true. Unfortunately, while the new retiree relishes the new-found freedom, the cooperative deals with a period of adjustment to the change as people transition into new roles.

In early July, we said goodbye to Mary Perdeu. Mary first joined the co-op in 1974, but left after five years

to raise her family. She returned to us in 1985 and had 37 years of service when she retired.

Mary started at the front counter and progressed through the billing department. She retired as the work order clerk. Virtually all of the construction that we do requires a work order and for over 20 years, Mary kept everything organized. It's a tough job, dealing with various personalities, the job-related lingo, our linemen, outside contractors, engineers and auditors. She handled it with poise and accuracy.

Although we always hate to lose a valuable, experienced, long-term employee, we are excited as she begins a new chapter. Retirement marks the end of working for someone else and the beginning of living for yourself. Congratulations. 🌟

RETIREMENT: Bedford Rural Electric bids goodbye to Mary Perdeu who had 37 years of service when she retired.

OFFICE CLOSING
 Bedford REC's office will be closed on Monday, Sept. 4, 2017, in observance of Labor Day.

OUTAGE REPORTING

In case of an outage...

- 1** Check your fuses or circuit breakers.
- 2** Check with your neighbors, if convenient, to see if they have been affected by the power failure.
- 3** Call the 24-hour number, 623-7568, OR call 800-808-2732* during office hours.

**(Please help us save money – only use this number if toll charges apply.)*

Please give the person receiving the call your name as it appears on your bill, your telephone number and your map number if known. Any specific information about the outage will also be helpful in pinpointing the problem.

**To report an outage call:
 (814) 623-7568**

During widespread power outages, many members are calling to report power failures. You may receive a busy signal, or in certain cases your call may go unanswered. This occurs in after-hours outages when the office is not fully staffed. Please be patient, and try again in a few minutes.
