E-Z Pay Program

Our E-Z Pay Program saves time and money by automatically deducting your bill from your checking or savings account on the 20th of each month. The program is convenient and there is no fee. You save check charges, postage, late charges and the hassle involved with paying bills.

You will continue to receive a monthly bill (unless you are registered for E-bill). All you do is deduct the amount of your bill from your checking or savings account. To sign up for E-Z Pay or receive additional information, please give us a call or stop by the office.
