

## Electric Utility Line Worker

Bedford Rural Electric Cooperative is seeking qualified candidates for a utility line worker.

High school diploma required.  
Post-secondary education and previous experience preferred.  
Demonstrated computer skills required.

Position involves working in all phases of construction, replacement and maintenance of electric lines, structures and equipment. Strenuous work in all weather conditions is required as well as a demonstrated commitment to safety.

Position requires regular on-call and overtime duty.

Candidate must possess a valid commercial driver's license and reside within 30 miles of the Cooperative headquarters or be willing to relocate.

The successful candidate must pass a background clearance and a pre-employment drug screening.

The Cooperative offers competitive wages, excellent benefits, an exceptional work environment and a comprehensive training program.

Qualified applicants should submit a letter of interest accompanied by a resume to [resume@bedfordrec.com](mailto:resume@bedfordrec.com).

Deadline for submission is February 23, 2026.

Bedford Rural Electric Cooperative, Inc.  
is an equal opportunity provider and employer.
