3. Any Applicant which is not a natural person(s) may apply for membership in the Applicant's legal name but **MUST** provide the Cooperative with appropriate legal evidence of the Applicant's existence. For Example: **A partnership may make application (to be signed by a partner) in the partnership name but must produce a copy of the proper fictitious name registration. A corporation may make application (to be signed by a president or vice president) in its legal name but must produce a copy of its Articles of Incorporation. If Jane Doe produces a copy of her fictitious name registration allowing her to do business under that name, then that is how the membership would be listed, and Jane would sign the Application as "Jane Doe t/a/d/b/a The Quick Time Laundromat" but the membership would be in the name of "The Quick Time Laundromat". If Jane does not have a registered fictitious name, then the member would be "Jane Doe t/a/d/b/a The Quick Time Laundromat".**
