OUTAGE REPORTING

In case of an outage...

- 1** Check your fuses or circuit breakers.
- 2** Check with your neighbors, if convenient, to see if they have been affected by the power failure.
- 3** Call the 24-hour number, 814-623-7568, OR call 800-808-2732* during office hours.

**(Please help us save money – only use this number if toll charges apply.)*

Please give the person receiving the call your name as it appears on your bill, your telephone number and your map number, if known. Any specific information about the outage will also be helpful in pinpointing the problem.

**To report an outage call:
814-623-7568**

During widespread power outages, many members are calling to report power failures. You may receive a busy signal, or in certain cases, your call may go unanswered. This occurs in after-hours outages when the office is not fully staffed. Please be patient and try again in a few minutes.
